II. Academic Background

- PhD in Mathematical Sciences (in progress), Institute of Mathematics, UNAM, 2018-present.
- Bachelor's Degree in Physics (in progress), Faculty of Sciences, UNAM, 2023-present.
- Master's Degree in Mathematical Sciences, Institute of Mathematics, UNAM, 2014-2017. Professional License: 14030555.
- Bachelor's Degree in Mathematical Sciences, Faculty of Sciences, UNAM, 2008-2013. Professional License: 14085315.

III. Work Experience

- 2025-2026: Generative Artificial Intelligence Models. Robotics Data Collector - Quality Assurance, Remotasks.
- 2025-present: AI Trainer at Outlier AI.

- 2024: Instructor, University Algebra I, Tiffin University (online).
- Instructor, Differential and Integral Calculus, Southern New Hampshire University (online).
- Instructor, Discrete Mathematics, Saint Leo University (online).
- 2023: Instructor, Control Theory.
- 2023: Instructor, General Relativity.
- 2023: Instructor, Quantum Mechanics.
- 2023: Instructor, Theoretical Mechanics.
- 2023: Instructor, Quantum Field Theory.
- 2019-2020: Instructor, Riemannian Geometry, Master's Program in Mathematical Sciences.
- 2016-2017: Instructor, Mathematics I, II, III, Instituto Nueva Inglaterra (Secondary level).
- 2014-2016: Adjunct Professor, Linear Algebra I, Faculty of Sciences, UNAM.
- 2008-2009: Mathematics Instructor for Undergraduate Admissions, Faculty of Sciences, UNAM.

IV. Research Affiliations

- Center of Mathematical Sciences and Applications (CMSA), Harvard University, 20 Garden Street, Cambridge, MA.
- Max Planck Institute for Mathematics, Bonn, Germany.

V. Awards and Research Activities

- 2025: Participant, ICMAM Latin America Satellite Conference on Differential Geometry, held online on September 25-26, 2025, for a total of ten hours of academic activities.
- Participant, Twinned workshop on 'Quantum Field Theory and Topological Phases via Homotopy Theory and Operator Algebras' at Max Planck Institute for Mathematics (Germany) and Center of Mathematical Sciences and Applications (CMSA) (USA).
- 2012: Participant, Interdisciplinary Seminar on Algebraic Geometry (SIGA), Nov. 12-14.
- 2011: Member of the winning team, 8th Alicia Rally, Faculty of Sciences, UNAM.
- 2010: Third Place, State-level Mathematics Competition, Youth Festival (5th-6th semester category).
- Member, PAPIIT Research Project: Structures in Tricategories: Monads and their Generalizations (IN110111).
- Presenter, Category Theory Seminar, Institute of Mathematics, UNAM.

VI. Languages

Spanish: Native.

English: Advanced (Translation Certificate, CELE - UNAM).

French: Intermediate (Translation Certificate, CELE - UNAM).

VII. Technical Skills

Programming Languages: Python, Java.

Scientific Computing: MATLAB, SIMULINK, Anaconda

Typesetting & Writing: LaTeX.

Development Tools: Xcode, Codex.
